1. The Ljubljana cells of the Yugoslav Communist Party recently were most concerned about the reported existence of an illegal Cominform organization in Kocevski Woods. To date, however, there is no definite indication that the Cominformists have undertaken to establish themselves anywhere in Slovenia.
2. The cells now are concentrating on stamping out Cominform propaganda spread in circulars, secret meetings, writings in public places and, above all, in broadcasts of the Soviet and Satellites. The task of internal control officially has been assigned to the UDB.
